- 1 plastic tumbler (cup)
- Water bottle (min. 1 litre)
- Shin pads
- spare name tags
- Electrical adaptors (if required)
- Feastings in air tight containers

Classroom Supplies

- Scientific Calculator- Grades 9-10, Graphing Calculator (TI84)-Grades 11-12
- Colored Pencils
- Markers
- Compass for drawing circles
- Protractor
- Ruler, 30 cm, inches also
- Pencil Case
- Sharpener
- Eraser
- Scissors
- Memory stick – labelled with name

PLEASE ensure that EVERYTHING is clearly named, as follows: inside back of collar, waistbands, top inside socks, inside shoes. Items, which are to be laundered, must be marked with name-tags. We recommend sew on labels only, as experience has shown that “iron-on” labels do come off in the laundry! Indelible ink is not sufficient as it fades. All other non-clothing items (including trunks, bedding, books, CDs & DVDs) should be clearly marked with a permanent marker.
